| ID	3
Summary	**The user can add an product that isn't in stock to the cart**
Steps to reproduce the behavior	1) Open the main page
	2) Log in (login: an@mail.ru, password: 1111)
	3) Click on the product
	4) Select the size in the "Size" field
	5) Select the number of product units in the "Quantity" field
	6) Click "Add to Cart"
Actual result	The user added the product to the cart
Expected result	There is no active "Add to Cart" button on the product page. The "Order product" button is displayed next to it
